

Call for Conference Sessions

You're invited to submit a session proposal for our 2013 annual conference, *Access360: Allies in Higher Education*. The conference will be held Sept. 23 and 24 at the Embassy Suites in Norman. To supplement our great slate of sessions, we're looking for additional ideas that offer expertise, resources and discussions to help conference attendees find allies in the higher education network. Sessions should appeal to diverse audiences, including community partners, high school counselors, campus professionals and more.

Here are a few of the topics we're hoping to see:

- Financial aid
- Successful default management strategies
- Engaging parents
- Working with low-resourced and underserved populations
- Resources for mentoring organizations
- Additional topics related to college access, student retention, financial literacy and helping students succeed

If you'd like to submit a session proposal, please complete this form with all relevant information and email it to Scott DeBoard at sdeboard@ocap.org by **5:00 p.m. July 17, 2013**. The Access360 Conference Committee will review all proposals and identify sessions that will appeal to the greatest number of our partners and/or that provide unique expertise. **If your proposal is selected, you will be notified by August 1, 2013.**

Please forward this information to any colleagues who may find it of interest. If you have any questions or concerns, contact Scott DeBoard at 405.234.4233 or sdeboard@ocap.org.
