

Campus Countdown Event

The Oklahoma College Assistance Program (OCAP) would like to sponsor your upcoming *College Countdown* school or campus event! We're offering sponsorships (up to \$1,500) that you can use for anything from publicity to supplies. To receive a sponsorship:

Send an email requesting a sponsorship to UCanGo2@ocap.org. Your email should include:

- The amount of sponsorship funds you're requesting.
- Details about your event, including the date and time, audience(s) expected to attend, planned activities, etc.
- Your state account number (if you are a state school) so the sponsorship funds can be directly transferred to your account.
- Your contact information.

Consistent with state regulations, sponsorship funds will be sent after your event has occurred. The number of scholarships available is limited so don't delay; send your request today!

Please let us know if you have any questions.

Thanks!
