

## APPLICATION FEE AND WAIVER INFORMATION\*

---

Many of Oklahoma's public colleges and universities may waive the application fees for students that participate in free and reduced lunch programs or have special financial considerations as determined by their high school counselors. If a fee is required by an institution, students who meet one of these criteria will need to check the box included on the application that says they are requesting a fee waiver. The high school will need to fax or mail the fee waiver request to the institution on behalf of the student. You will find a fee waiver request template on the next page. Keep in mind that some colleges won't accept a fee waiver request in template form. It's best to contact the college before submitting the form if you're not sure how to proceed.

Many public colleges will allow students to submit their applications without the fees included; the fees can then be added to their first bill/statement upon enrollment. However, some colleges do not follow this practice, so it's always best to check a college's website for information about application fees.

**Please note: East Central University requires their application fee be paid with a credit/debit card at the time of the online application. The online application to Southeastern Oklahoma State University requests an enrollment fee at the time of application. If a student is unable to pay the fee with a card at that time, payment should be mailed or taken to Admissions ASAP, or a fee waiver request may be submitted separately. Students applying to UCO should submit the applications and immediately fax their fee waiver requests. When submitting a fee waiver request, the fax number is: (405) 974-3841.**

Students who do not qualify for fee waivers will need to contact the institutions they are interested in attending to make arrangements to pay their fees.
